JUN 24 2004

In addition to the errors of the Patent and Trademark Office, a review of the patent has revealed the presence of errors attributable to applicants/patentees, which however are of a minor and self-evident character, as listed below:

- Column 1, Line 30 delete "sustantially" and insert in place thereof -- substantially--;
- Column 2, Lines 24, 26 and 28 delete "wave length" and insert in place thereof -- wavelength --;
- Column 3, Line 54 delete "inspite" and insert in place thereof -- in spite--;
- Column 4, Line 9 in the second line of claim 2 delete "wave length" and insert in place thereof -- wavelength --;
- Column 4, Line 12 in the second line of claim 3 delete "wave length" and insert in place thereof -- wavelength --;
- Column 4, Line 41 in the second line of claim 10 delete "wave length" and insert in place thereof -- wavelength --;
- Column 4, Line 44 in the second line of claim 11 delete "wave length" and insert in place thereof -- wavelength --; and
- Column 4, Line 60 in the seventh line of claim 15 delete "wave length" and insert in place thereof -- wavelength --.

While these errors are not of a serious enough nature to warrant a Certificate of Correction, the patentee nevertheless wishes to bring same to the attention of the Patent and Trademark Office, so that same is made of record in the file of this patent.

Respectfully submitted,

Marianne Fuierer
